Committee Assignment
ENV. & PUB. WORKS-L

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Classification of Action and Determination of Significance Pursuant to the State Environmental Quality Review Act for the Sale of County Owned Tax Foreclosure Property Located in the Village of Honeoye Falls

Honorable Legislators:

I recommend that Your Honorable Body determine whether the sale of County owned tax foreclosure property located in the Village of Honeoye Falls may have a significant adverse impact on the environment pursuant to the State Environmental Quality Review Act ("SEQRA").

The proposed sale is as follows:

<u>Parcel</u> (un-addressed) TA #'s	<u>Offerors</u>	<u>Offered Amount</u>
228.16-2-37	Craig A. Osterling & Shannon L. Osterling One Maple Street	\$3,000
228.16-2-38	Honeoye Falls, New York 14472	\$4,000
228.16-2-88		\$6,000

The vacant land identified as Tax number's 228-16-2-37, 228.16-2-38, and 228.16-2-88 were acquired January 31, 2017 and January 14, 2008 through tax foreclosure, are surplus property, and are not needed by Monroe County. The price indicated above was negotiated by Monroe County Real Estate.

The sale of County owned tax foreclosure property located in the Village of Honeoye Falls has been preliminarily classified as an Unlisted action. The SEQRA regulations found at 6 NYCRR Part 617 requires that no agency shall carry out or approve an Action until it has complied with the requirements of SEQRA.

The specific legislative actions required are:

1. Determine that the sale of County owned tax foreclosure property located in the Village of Honeoye Falls is an Unlisted action.
2. Make a determination of significance regarding the sale of County owned tax foreclosure property located in the Village of Honeoye Falls pursuant to 6 NYCRR § 617.7.
3. Authorize the County Executive, or his designee, to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.

This designation will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The action is for the sale of the property and does not include the physical alteration nor disturbance of the property. Part 1 of the EAF indicates the site contains or is near the following: archaeological resources.

According to the New York State Cultural Resource Inventory System (CRIS) this action is not an action subject to review as no construction or disturbance is involved in this property transfer. Future actions that involve disturbance may be subject to environmental review, including cultural review at that time.

The sale of this property does not include physical disturbance or development of the parcel and will not result in any significant adverse environmental impacts.

<input type="checkbox"/> Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.	
<input checked="" type="checkbox"/> Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.
